Mr Willie Wells
Puerto Rico

Dear Willie:

I received both your letters in the same mail. I was of course glad to hear from you, and to hear of some of your plans for The Eagles. You know it is strange, but I had the same thought about Pearson you had. I am afraid his knee will hinder him from playing in the outfield unless it is an emergency. It will be almost impossible to discuss all plans through the mail, but we will do the best we can.

Now you told me of a ball player you would like to sign up. First of all he belongs to The Stars and we would have to make a trade for him. Now the first thing I think I should do is tell you who belongs to us. All these men did not play with us last year, because some of them were away, but if they return to the states they will be the property of The Eagles. We finished the season with, Mackey, Parks C., Matthews lb, Isreal, 2nd or 3rd, Johnson ss, Pearson 3rd, Irvin played outfield, and infield, Christopher, Davis both of. The pitching staff was a very good one, Day, Hill, Manning, Hoobgood, Hooker, and Brown (he had arm trouble all year). In addition to these men, Clarkson Wells and Dandridge belong to us. I personally would like to see Clarkson in the outfield, but that is just a thought of mine.

Now about Barney Brown, he is a good man ~~Usahwryshimptbdthiny wdlilnguessoThevetars~~ might let us have him, but you will have to give some one for him. Who would you want to give? Do you think we need another pitcher? We have never had a good outfield. I certainly would like to see one for a change. Answer right away, and let me know your first and second choices for a trade, and I will be able to take it up at the meeting. Ask all The Eagles you see to send me their status in the draft. We dont know who we might lose to the army.

Very Truly Yours
